Mujinga Mwad who coordinates the center recalls how scout ministry ordered scarfs for scout. When we receive orders from different ministries in the church, it enhances women work and we praise God that women will arise and shine in their work, she narrates.

A lot of fabric come from Lubumbashi, women have their orders and it takes two to three weeks to get fabric reach kamina. Apart from clerical and liturgical attire, women make also Congolese attire like shirts, dresses, skirts for sale.

Any support to enhance women work will be much appreciated. Women are one in the body of Christ and we have to stand together as sisters in the ministry
